President's Report

Rhondda Vanzella OAM
President

The Choir year is well underway with registrations now open for 2017. I would like to welcome back our Choir Family members from last year and offer a warm welcome to those who are joining us for the first time. I would especially like to welcome our defence and veteran families. I am looking forward to meeting you and welcoming you in person.

This year is set to be another wonderful year of bringing music and history together to develop and inspire young leaders. We already have some exciting performances planned including our annual performance for the NSW War Widows Guild Field of Remembrance Service at St Andrews Cathedral. This will be the climax of our first Holiday Music and Leadership Camp held on Cockatoo Island during first term holidays.

I would like to take this opportunity to introduce you to our Choir Ambassadors for 2017. Georgia, Jacqui, Zoe, Josef and Mae. These five young people have shown positive personal growth and an ability to represent our Choir at High Profile events either as speakers or singers. Each Ambassador has demonstrated the ability to lead both in practices and performances and has shown a high level of achievement outside of the Choir. I trust, if you haven't already, you will get to meet them at events throughout the year.

I am also very happy to announce our new Ambassador in Training (AIT) Programme. This is a special membership programme offered to those young people who have shown good leadership and potential to represent the Choir. It is the young people who complete this programme from which we will choose our Ambassadors of the future.

To those of you who have already supported us this year, a sincere thank you! Your donations are an important way you can help us develop more young leaders. To give you an idea of where your donations will be used in the coming year, you will find a list of events and activities planned (so far) on the next page. Some of these projects can only be completed if we can raise enough funding. If you would like to support us you can send a cheque to "The Treasurer" at the address at the bottom of the page or you can go to the donate page of our website and donate online: <http://www.commemorativechoir.com/donate.html> For RSL Clubs and Sub-branches, don't forget we are a Tier 1 Organisation.

Do you have or know of someone who has a school aged young person who loves to sing/perform and would like to join us? Please feel free to send them to: <http://www.commemorativechoir.com/about.html> to find out more about the Choir and how they can join.

Creative Director's Report

This year has already seen some exciting new improvements to the Choir with our Website upgrade being the most notable. I encourage you to go to: www.rslchoir.org.au and see for yourself. The home page now has a link to our latest video "Diduno?" filmed at the Australian War Memorial and a new and improved "About" page in which you can click to find out how to join the Choir.

Our latest Video comes thanks to Damien Leith for the studio recording and backing track, Martin Johnson video production and a huge shout out to Dr Brendan Nelson and the staff at the Australian War Memorial for their support during our visits and filming. I look forward to our next Choir adventure at the War Memorial which seems to be becoming an annual tradition! We are hoping to finally release our DVD for Anzac Day (funding permitting).

As part of our website upgrade, we now have an online vocal warmup training course with our Vocal Coach (and former opera singer!), Alexandra Dalman. There is also a new and improved online leadership course for our Leadership Academy members (including a fun new leadership song). Even our Repertoire pages have new learning tips for a better online learning experience!

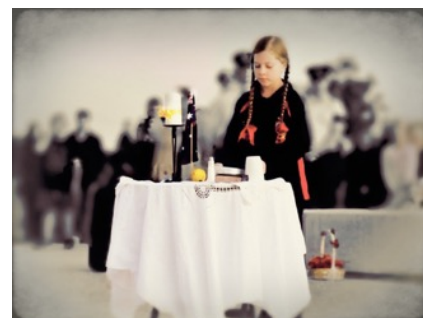

As the Creative Director, my heart and passion for the Choir this year is to:

- Recruit new members (with an emphasis on defence and veteran families)
